TGS is Bangladesh-based Apparel Buying House established in 2026 by Md. Mahmudul Hasan having long manufacturing and sourcing Experience since 2004 who worked for worldwide renowned Brands and Retailers, dedicated to providing refined sourcing solutions.

TGS offers comprehensive services covering product development, strategic sourcing, production management, quality assurance, and on time shipment coordination.

Through carefully selected manufacturing partners and a skilled professional team, TGS ensures consistent quality, cost efficiency, and dependable delivery.

COMPANY OVERVIEW

MESSAGE FROM THE FOUNDER

Bangladesh's ready-made garment industry has earned its place on the global stage through resilience, skill, and continuous improvement. As a professional who has grown with this industry for more than two decades, my vision in establishing this buying house is to bridge global brands with reliable, ethical, and quality-driven sourcing from Bangladesh.

I hold a BSC (Hons) in Textile Engineering and have further strengthened my technical foundation through "Foundation of Textile Manufacturing" program from the University of Leeds, UK.

My professional journey in the RMG sector began in 2004, where I have worked closely with factories, suppliers, and international buyers to deliver products that meet the highest standards of quality, compliance, and timely execution.

From 2013 to 2026, I had the privilege of serving as Head of Department for the ZARA Ladies Basic Dept, managing complex product categories, fast fashion timelines, and large-scale production for one of the world's most demanding fashion brands.

This buying house was founded with a clear purpose:

To offer transparent sourcing, strong product development, responsible manufacturing, and dependable supply chain management. We believe in long-term partnerships, ethical practices, and adding value beyond transactions.

Together, let us create products that reflect quality, responsibility, and excellence—made in Bangladesh, trusted globally.

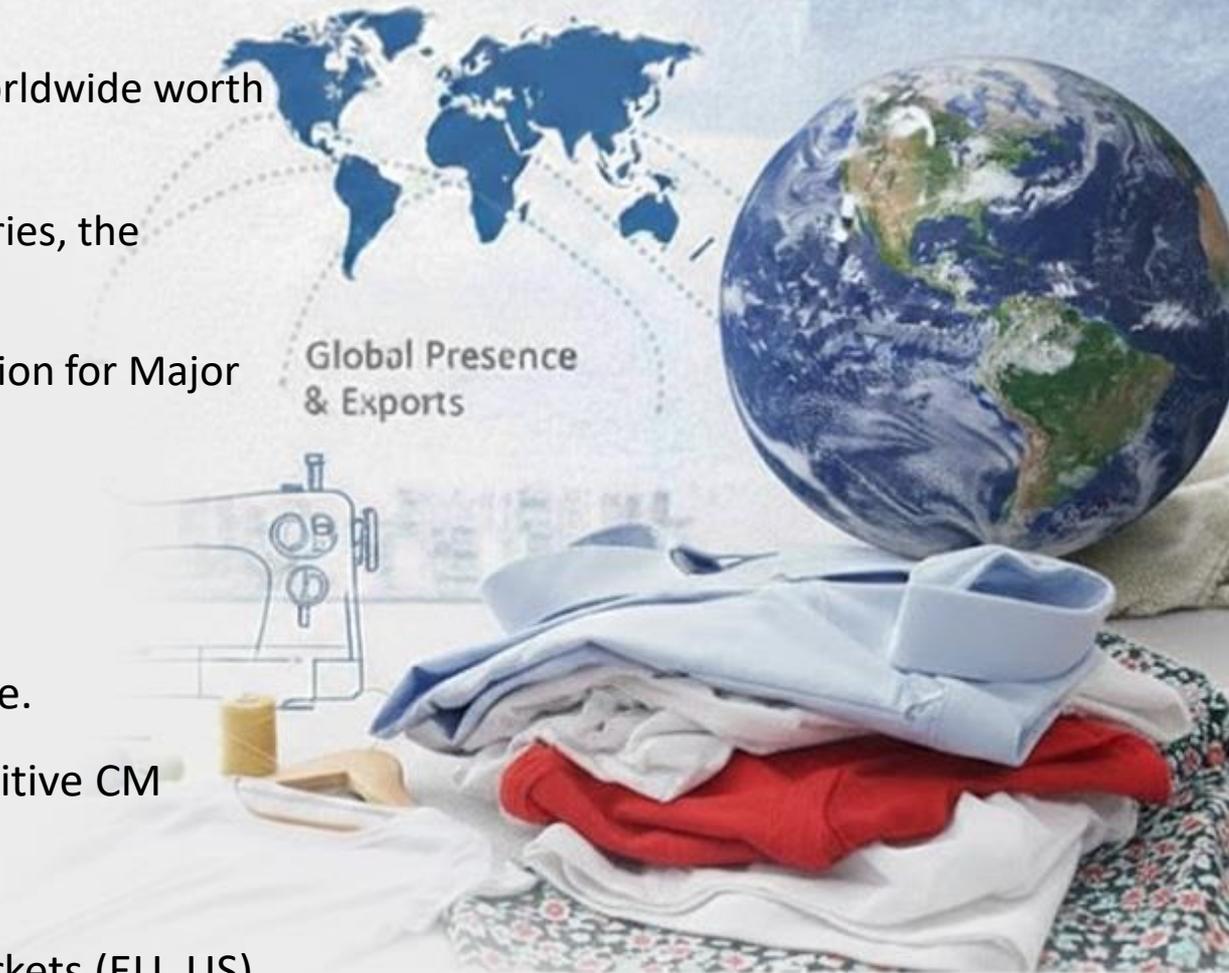

Md. Mahmudul Hasan
Founder
